

Block 50 Monthly Reporting Instructions

To verify the block 50s paid by your agency for a month, you must use the ZTM18 transaction code. Instructions for this process can be found on the HR website under [Resources/Processes-Reports/Reports/Payroll](#).

NOTE: Using those instructions, you can run the report by organizational unit.

To ensure the report brings in the correct information for your agency, you must complete the following fields before you execute the report:

The dates of the report should be for the month your agency made any payments associated with block 50s

EXAMPLE:

Selection Criteria

Personnel Number	<input type="text"/>	
Employment Status	<input type="text"/>	
Personnel area	<input type="text"/>	
Personnel subarea	<input type="text"/>	
Employee group	<input type="text"/>	
Employee subgroup	<input type="text"/>	

1. Click the reporting Period field down arrow and select the “Other Period”
2. In the field to the right, select the first day on the month and the last day of the month
3. Then Execute the report

In this example, the information returned will be all block 50s paid to any employee (to whom you have access) during the month of February 2015.

Your report should verify the block 50s for the month for your agency. The report should be saved and submitted via Business Request (selecting Payroll then Block 50 Monthly Reporting) by the 7th of each month, reporting block 50s paid in the previous month. The Business Request should verify the total number of block 50s and the total amount of the block 50s.
